

“PLAN THE WORK, WORK THE PLAN”

Until it is imposed that we are required to close we are
OPEN AS USUAL.

However we are mindful of an ever changing situation
and have therefore planned a menu we intend to sell
‘THROUGH THE WINDOW’

Our same high standards of local food sourcing and
careful preparation still apply (even if we won't be
serving fillet of beef for a while)

Our daily baked bread will also be available to buy.

But when it's gone it's gone
